## ONE QUESTION

How does this activity directly relate to bias, prejudice, stereotypes, discrimination, name-calling and/or bullying/cyberbullying?

## ACTIVITIES DO NOT INCLUDE

- Signing the Resolution/Promise of Respect (it is a separate step in earning the NPFH designation)
- Career Day
- Red Ribbon Week activities (Saying no to drugs is important, but that is not the message of NPFH)
- Letters to the troops or similar activity, unless you can document some specific tie to diversity and inclusion.
- Volunteering for a charitable organization, including fundraisers and/or food drives unless there is some more specific message and connection to NPFH and addressing issues of bias and/or bullying.
- Activities done by only one classroom or small group, unless that group then does a project impacting the greater school.
- Activities that do not incorporate discussion with students.
- Activities that do not require ACTION from the students.
- Stand-alone assemblies without prior or debrief discussions post event, and action items students take prior or post event.
- All three activities taking place in one week.
